

## **Graduate Trainee Manager**

Successful applicants embark on a fast-track management scheme which will give them a chance to work in all areas of our business. As we are a small company, we can give you high levels of responsibility from an early stage, as well as lots of support along the way, training you in all aspects of a management role. You'll be working in a lively, busy environment, always meeting new people and will be central to the success of our business, as you will help make every guests visit run as smoothly as possible. We take on graduates all year round, and into every different area of our business, which means that we can personalize your scheme to suit your own interests.

You will need lots of enthusiasm and energy! Experience is not necessary- you just need to be passionate about hospitality and making our guests feel like royalty from their very first point of contact with us. We are looking for ambitious, eager to learn people, who are intelligent and dedicated but also lots of fun.

Minimum 2:1 in any discipline required
